PIPER 221 Armchair

design RODOLFO DORDONI

DESCRIPTION

Armchair for outdoor use.

STRUCTURE

Aluminium frame treated with electrostatic powder painting with polyester base that gives more protection from scratches and also the final colouring to the product.

It can be recycled 100% and infinite times without losing its original features.

PADDED BELT

The outer mesh consists of twisting of two twisted polyester threads of different colour that create a melange effect, while the padding is made up of a hydrodynamic polyester staple. The combination of these materials makes the padded tubular suitable for outdoor use and ensures softness, comfort and rapid drying.

CUSHIONS

Standard or hydro draining
